Subject: Fishing on Hawe Creek in McCormick County, South Carolina

SUMMARY OF TELECON

I contacted Mr. Hayes regarding general fishing information for Hawe Creek. Mr. Hayes provided the following information:

- People fish from the point where Hawe Creek is influenced by Strom Thurmond Lake to the mouth of Hawe Creek where the creek empties into Strom Thurmond Lake (Hawe Creek Arm)
- People also eat the fish that they catch

Mr. Hayes stated that he could not sign the record of telephone conversation without permission from the DNR Director of the Office of Environmental Programs, Bob Perry. I emailed Mr. Perry on July 3, 2008 stating the importance of obtaining a signature from a SCDNR representative. I spoke with Mr. Perry on July 16, 2008 and he stated that he would review the record of telephone conversation, speak with Mr. Ross Self, the current Chief of Fisheries, and/or Mr. Gene Hayes to insure that the information in the record of telephone conversation is correct before he (Mr. Perry) signs the document for Mr. Hayes.
